

Let's Join AT&T In Support of East Athletes

Support the AT&T-EGR Team Boosters Initiative

When you order new AT&T local phone service, high speed Internet or AT&T DISH TV service under this program, and mention East Grand Rapids High School on the order, you'll be helping the EGR Team Boosters support all sports teams at East.

Thanks to your participation so far, the AT&T-EGR Team Boosters program has already raised more than \$4,000, and we've just begun.

AT&T offers competitive pricing—get high speed Internet, home phone service and digital satellite TV for one great price--\$99 per month! Switch from your current high speed Internet service provider to AT&T, get comparable speeds, and save up to \$250 a year!

Call **866-51-BOOST** today. . .

Or, e-mail miboosters@att.com to order!
